

DEDICATED TO Exceeding Your Expectations

SINCE 1999

WEAVER ASSOCIATES INC.

We are a unique company that helps companies put ink on paper. We provide all the products needed to print in-house or we will print the product for you. We work with quality vendors to supply our customers the best office services in the industry. Our extensive list of services is a result of adapting to meet the needs and requests of our customers. Since 1999, we believe small business is the backbone of our industry. No matter the size of your company, we know we can exceed your expectations; as we have proudly proven over 22 years and 600 happy customers.

- Female-Owned Business focused on customer service and building community
- 165 years of combined experience in management, technology supplies, printing, sales, finance, and distribution
- 75 business partners with combined sales of 1.8 billion, allowing for the ability to compete at every level
