

# WINTER 2020 CATALOG

Weaver Associates Inc is celebrating our 21st year. We have worked hard over the years to provide great customer experiences and quality products. Enclosed is a brochure of a few of our top products we represent. Many items might be new to you or you may not know that we sell and service.

We have a few new vendors highlighted in the brochure. These vendors provide unique products to help your company work more efficiently.

Printing is still our #1 way to save our customers money. Our quick turn, high quality printing has proven to be the #1 way to lower cost. The beauty of our printing division is NO RUSH CHARGES and no quantity is too small.

Lastly, we are always trying to improve and do better. If you find something that we can improve upon, please contact me personally. Constructive criticism is needed for progress.

Thanks again for being a part of our 21 years in business and if you are not a customer yet, give us a try! We have made over 750 customers happy in central Pennsylvania. We look forward to many more years of doing business with you.
